COMMUNICATIONS INTELLIGENCE DEBRIEFING OATH

It has been determined that I no longer require Communications Intelligence in the performance of my official duties. Therefore, I am aware that my right to see this material and have access to information pertinent to it has ceased. Pursuant to the obligation which I incurred, under oath, at the time of my indoctrination for Communications Intelligence, I reaffirm that I will never divulge any information which I have acquired as an authorized recipient or producer of Communications Intelligence, nor will I discuss with any person any of the inferences concerning Communications Intelligence which I may have formed through knowledge acquired by me by virtue of my cleared status.

I have today re-read the statute dealing with the subject of Communications Intelligence (18 U. S. Code 793), and I understand its provisions, penalties and implications.
